### Tranfer Students

Students transferring more that 26 hours from another institution are considered transfer students. Transfer students must meet the same criteria as non-transfer students, using transfer grades for acceptable substitutions.

### Transfer Students

- **Fall**
  - 15 hours
    - ME 241 or 247 (4) FA, SP, SU
      - Prereq: ME 142 or 148
      - ME 231 (3) FA, SP, SU
        - Prereq: EF 152/158 and ME 202
      - Physics 231 (3) SP, SU
        - Prereq: Phys 135 or EF 151 and 152
      - ME 321 (3) FA, SP, SU
        - Prereq: ME 202 with C or better and Math 142 or 148
    - ME 466 (3) FA, SP
      - Prereq: ME 231 and MSE 201
    - Dept. Elective (3) FA, SP
      - Prereq: ME 363 and 367/369
    - Technical Elective (3) FA, SP
      - Petition required in advance with advisor and dept. head.
    - Technical Elective (3) SP, SU
      - Petition required in advance with advisor and dept. head.
    - ME 365 (3) SA/SU or 463 (3) SP
      - ME 365 Prereq-ME 231 with grade of C or better
      - ME 463 Prereq-ME 363
    - ME 545 (3) FA
      - Prereq: ME 363 and 367/369
    - ME 449 (3) WC FA
      - Prereq: ME 321, 344, 345/347
    - Arts & Humanities

### Full Status Progression

A lower-division student may apply for progression to upper division after completing EF 152/158, Chem 120/128, Math 231, ME 202, ME 231, and ME 321 with a grade of C or better, and an overall GPA of at least 2.4.

### Provisional Status Progression

- Students who have completed EF 152/158, Chem 120/128, Math 231, ME 202, ME 231, and ME 321 with a grade of C or better and have an overall GPA between 2.0 and 2.4 may apply for provisional status.
- The granting of provisional status is based on the availability of space in departmental programs after full status students have been accommodated. Provisional status students are required to demonstrate their ability to perform satisfactorily in upper-division by attaining a minimum GPA of 2.0 in the first 12 hours of 300-level required engineering courses. Award of upper-division full status is dependent upon this performance. Students with an overall GPA less than 2.0 will not be admitted to upper-division. Students who have not progressed to upper-division will be dropped from departmental class rolls in upper-division courses.

### Transfer Students

Transfer courses with grades below a C will not be accepted to fulfill any degree requirements.

### Departmental Academic Standing

The faculty of the Department of Mechanical, Aerospace and Biomedical Engineering expect all students who enter to make progress toward graduation. To graduate from the department, a student must earn a minimum grade point average of 2.0 in all departmental courses counted toward the degree. Students not meeting the required departmental GPA may be dropped from their major.

In addition, the University Academic Good Standing Policies apply to all students.

### ME Graduation Requirements

A minimum GPA of 2.0 in all departmental courses counted toward the degree taken at the University of Tennessee, Knoxville, is required for graduation. No more than two departmental courses in which a C- or lower is the highest grade earned may be counted toward graduation. This is in addition to the university’s graduation requirements.

### Honors Concentration and/or a five year BS/MS program

Students also have opportunities for an Honors Concentration and/or a five year BS/MS program. See the Undergraduate Catalog for details and requirements.
